Dear Nathaniel,

Thank you for your efforts to save the administration building at the former Pennhurst State School and Hospital site.

The Pennhurst School and Hospital was an important part of our community for over seventy years and the administration building remains not only as an architectural artifact of that era but also as a historical record of the treatment of the mentally ill in our society.

Good luck with your efforts in this project. If there is anything that I can do for you, please do not hesitate to contact me.

Sincerely,

A handwritten signature in blue ink that reads "Andy Dinniman".
